As parents we want to give our children every opportunity to experience a rich and full life, spend time exploring the new and interesting all while learning about the big and beautiful world around us.

This is the very mission of **The Grove Discovery Club**. **The Grove Discovery Club** offers a variety of children and teen programs available year-round including holidays, Williamson County public school closure days and a full calendar of experiential camps during the summer.

For our youngest members, **The Grove Discovery Club** includes a dedicated space for gathering that is above and beyond the expected. There is something new to experience and explore each day; from nature-centered activities and wildlife, to arts and crafts, scavenger hunts, mini golf, tennis, kid's kitchen and daily outdoor adventures.
