The Grove - USGA Local Rules In Effect

Embedded Ball:

Rule – Through the green, a ball that is embedded may be lifted, cleaned and dropped, without penalty, as near as possible to the spot where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.

Note – A ball is “embedded” when it is in its own pitch-mark and part of the ball is below the level of the ground. A ball does not necessarily have to touch the soil to be embedded (e.g., grass, loose impediments and the like may intervene between the ball and the soil).

Exceptions:

1. A player may not take relief under this Local Rule if the ball is embedded in sand in an area that is not closely-mown.
2. A player may not take relief under this Local Rule if interference by anything other than the condition covered by this Local Rule makes the stroke clearly impracticable.

Stones in Bunkers:

Rule – Stones in bunkers are movable obstructions (Rule 24-1 applies).

Immovable Obstructions Close to Putting Green:

Rule – Relief from interference by an immovable obstruction may be taken under rule 24-2.

In addition, if a ball lies through the green and an immovable obstruction on or within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows:

The ball must be lifted and dropped at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard or on a putting green.

If the player’s ball lies on the putting green and an immovable obstruction within two club-lengths of the putting green intervenes on his line of putt, the player may take relief as follows:

The ball must be lifted and placed at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard.

The ball may be cleaned when lifted.

Exceptions:

1. A player may not take relief under this Local Rule if interference by anything other than the immovable obstruction makes the stroke clearly impracticable.

Dropping Zone (Hole 3):

Rule – If a ball is in or it is known or virtually certain that a ball that has not been found is in the water hazard (hole 3), the player may:

- (i) ***Proceed under rule 26-1: or***
- (ii) ***As an additional option, drop a ball, under penalty of one stroke, in the dropping zone***

Distance Measuring Devices:

Rule – For all play at The Grove, a player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g., elevation changes, wind speed, etc.), the player is in breach of Rule 14-3.
