

LUNA CUSTOM HOMES

Company Staff: 6

years in business: 51

of homes built to date: 500+

Describe yourself in a few sentences: I consider myself a very blessed husband, father, grandfather and man of God. I am motivated, personable, and always striving for perfection.

Describe your team: My team is a group of talented, accomplished individuals who were brought together to create and design exceptional custom homes for the clients. They partner with the clients to ensure their dream and vision comes to life.

What inspires you? Finishing a home that everyone is proud of! Happy customers! Helping others!

What are your favorite features and products to

incorporate into custom homes? I try to use locally source products whenever I can. Custom trim is my favorite feature in a custom home. I also like custom wall and ceiling designs. Show stopping light fixtures special to each home. Unique finishes and hardware.

Why did you want to become a Signature Builder at

The Grove? Really good people to work with. It's a well managed beautiful community with fantastic facilities. I am proud to be a part of The Grove.

Which Grove home are you most proud of and why? Lot

7013, 8559 Heirloom Blvd. Great setting and a wonderful plan.

What are your hobbies outside of homebuilding? Golf,

hunting, fishing all outdoor activities.
