YEAR-ROUND PROGRAMS SUITED FOR CHILDREN OF ALL AGES

As parents we want to give our children an experiential life, spending time exploring the new and interesting, all while learning about the big and beautiful world around us.

This is the very mission of The Grove Discovery Club: offer a variety of programs year-round including holidays, Williamson County public school closure days and a varied calendar of fun and educational Day Camps during the summer.

The Grove Discovery Club's dedicated space for gathering is above and beyond the expected. It is a true base camp for kids to come together and interact with all the exciting happenings The Grove has to offer. There is always something fun to do; from STEAM oriented camps featuring nature centric activities focusing on the environment, science, arts and technology that challenge the imagination, to sports camps focusing on learning skills and being active. Traditional fun and social interaction are not forgotten either with scavenger hunts, kid's kitchens and outdoor adventures. The bottom line is that Discovery Club is the perfect place for kids to have fun, make new friends, and participate in planned activities – all in a safe, comfortable environment. All programs and activities are led by well trained counselors and reservations are required.

DISCOVERY KIDS SUMMER CAMP

Summer Camp offers kids ages 5-12 a place to explore and grow, right in our community. Weekly day camps are led by our trained counselors who guide campers through a summer of themed adventures promoting a little bit of learning and a whole lot of fun! From investigating the natural world and challenging their skills through sports activities, to exploring science and engaging their inner-chef, there is no shortage of imagination and discovery during summer camp. Along with creative games and projects developed around each weeks' theme, campers also enjoy fitness, golf, tennis and fishing activities. Daily trips to the pool, specialized field trips and special guests are summer camp staples that round out the fun. Discovery Club summer camp is a perennial favorite for kids (and parents), allowing kids to disconnect from technology and get inspired, make new friends—and of course, have a whole lot of fun at The Grove!
